

## DISCIPLINE FOR GOD'S NEW ERA!

Excitement is stirring — something BIG is happening in the heavenly realm — in planet Earth. Soldiers are being called to the battle lines — assignment and marching orders are given — the whole earth is being shaken as never before by the hand of God. Sin no more will have overwhelming domain in the hearts of people. Satan's reign is being broken for God's time has come. He is stirring the deep and it is time for darkness to take a back seat and heavenly light to shine brightly upon darkened paths. Church — God is moving!! You can feel it in the air, you can see it in the posture of the Church, you can see it in the faces of believers who have sought God in intercession. We are ready to move with Him into the lands held captive by sin and ignorance of God's Word. Know the truth, God's truth, and be set free is today's battle cry. John 8:32, 36 (NLT)

God is calling His people to shed the old and put on the new—to forget the past and look to the future. Become *willing vessels* of openness that the Lord can minister through in signs of healing, miracles and wonders. See and experience the releasing of God's Holy Spirit filling His people and the calling forth of hearts to receive for this new era. I DID!

I received a miracle which brought me into a new place in God—a new trust—a new transforming of mind and heart that I now walk in. It opened the doors of my understanding and sharpened my prophetic calling.

For over three years I suffered from a horrible skin disease covering two thirds of my body. In March of 2007, within three days, I received a total healing; the open sores dried up and only the scars remained. In time I knew that they too would disappear and until then, I looked at them every day and gave thanks to my awesome, faithful God who in His great love heals His people. I am amazed and truly blessed, for God has brought me into—His quiet place of rest and hearing His heart. Suffering often brings release!

*Blessed Trinity, my wounds you have healed. My scars now bring you glory. Fear is gone! Love, joy and peace are now my banners; I hold them high. Let them wave triumphantly for the entire world to see as a symbol of Your faithfulness and Your neverending love.* (Last stanza of the poem - *Blessed Trinity* by Katie Kee)

**I felt God would have me share this prophetic word that He has been downloading into my heart for His people in this year of 2009.**

Church, God is moving across the nations— calling His people into a time of shaking, stepping out and moving in faith into *new territory* and *new seasons* in Him. It is a time of stretching and trying things that are not, what we consider our norm, but in reality is where God wants us to be and doing what He says we can do. Don't wait until you think you are ready. Don't be left behind. You have no greater—or more powerful—privilege than to trust the ultimate King and Visionary.

Tears prepared by the Holy Spirit within my heart are tears that are releasing me into a new place of “listening” to his voice. God is moving upon hearts today and age is of no importance, an open heart is!

Obedient hearts delight God. Tears poured out from—thankful, yielded hearts—and in total dependency upon Him have great value. Psalm 56:8 (NLT) reads, *You keep track of all my sorrows, You have collected all my tears in your bottle. You have recorded each one in your book.* And verse 9

confirms God's promises—*On the very day I call to you for help, my enemies will retreat. This I know: God is on my side.* In God, we will, we will, we will, strike terror in the heart of the enemy.

Come, My children, come! He is calling us to Him for a time of learning to: Rest” - Do nothing!” It is a quickening place of discipline for the things to come. It is a preparation time. God says, “Learn to discipline yourself to be quiet before me. In the stillness you will hear My heartbeat of love and in the stillness you will be renewed in strength and power. My wisdom, understanding and revelation will then have an open channel to flow through as you have prepared in “*Our quiet time*” to receive. Refreshed, filled up—you will then continue forth into your destiny. Be eager in heart and strengthened in purpose for My Will to be done.”

Again God says, “Be still My child! Rest! Do nothing! For it is in the midst of chaos, that My voice will be heard as a whisper meant only for your ears and as you quiet your heart and everything around you becomes dim, you will hear my whispers of counsel, of direction, of revelation—then you will be able to hear with clarity My command; ‘*Go forth! Minister! You are ready!*’ The enemy cannot hear my whispers, nor My commands, but YOU can! The “Rest” in Me will bring forth sharpened abilities within you; that is where we two become as one.

Embrace all I will impart to you and then freely give it out to others. Be My heart in the place where you are! Be My hope and encourage those around you with the truth of My Word; it will bring forth precious fruit. I will call you forth into those *Rest times*; when you hear, quickly run to Me, and enter into My sanctuary. My plans will work for I have seen ahead from eternity past.

“When the enemy works in loudness, fright and condemnation, I work in humbleness, stillness and peace. Bow your knees before me, open your heart to receive and I will pour out My oil upon you. My oil will run into every part of your being. It will saturate, revitalize (give new life, vigor) you—you will receive fresh impartations, revelation of My truth as you minister in the places that I send you.

Fire and power will come forth from your mouth and will burn deep into the ears and hearts of those who are desperate for Me—My cleansing fire that will burn away the worthless dross; refine hearts and then My purpose, burning brightly, will come forth. Hear not the words of the world, but of your God. I seek a people who pour out their hearts before Me and will walk upright in honesty and integrity that My name will be sought after. I am a God who befriends all people and I am calling you to do the same; to be bold and confident and fear not to speak My name out; to love ALL people openly without fear, without shame—for through that openness, peoples’ hearts will break and be open. They will cry out for Me to come in –an invitation I am always seeking.”

## **PRAYER**

My prayer today is simple God. It comes from a heart that is bursting at the seams with love for You. I want to serve You Lord, today and forever. I chose to dig deep into God's Word before I walk away from blessings today. Thank You for the standard you set forth for me.

I know that I will never reach my destiny by thinking negative thoughts. Therefore, I chose to keep my mind and heart open and each morning I will

start my day saying, "I love my life. It is wonderful. I thank God for everything He has given me and is calling me forth to do in the harvest fields. With Your help God, and by Your power, I can live in newness of life and be a "bright spot" in each life that touches mine. I receive Your Word and purpose to walk as the Holy Spirit so directs. I love you Father ! Amen.
