

**THOUGHT OF THE DAY:** Never one thing and seldom one person can make for a success.

It takes a number of them merging into one perfect whole. - Marie Dressler \*

There are two sides to man's religious life  
his own honest efforts and God's guidance and support.

Either without the other is inadequate. \*

### GOD'S DIVINE APPOINTMENTS

When Yorick, our guide, took Charlotte and me on our sightseeing tour last July, we stopped at the Loch Lomond Park (see my Travel page). Yorick and Charlotte strolled down the beach and I stayed by the sea shore to take pictures. Finished with the pictures, I turned my attention to a family of ducks swimming close to shore. The baby ducks were darling as they swam in a line behind their parents. They didn't seem to mind that I was standing only a few feet from them nor were they afraid of the small children splashing in the water nearby. It was such a peaceful scene. A small boat was passing by and looking beyond it, the mountains rose to the sky as far as my eyes could see. As I was marveling at the Creator's handiwork, I suddenly felt the quickening of the Holy Spirit to do spiritual warfare prayer for the Loch Lomond area.

Yorick and Charlotte returned and we drove a few miles up the road and decided to stop in a little residential area to get a snack. Again I felt the burden to pray. The burden stayed with me throughout the Highlands and until we arrived back at Newcraighall.

Recently, due to networking through other intercessors, Marshall Cross who lives in Scotland, was invited to visit my web site and read the Highland Coo Vision. Then the trip to Loch Lomond area and the spiritual warfare prayer was also shared with him. God started setting up divine appointments. Marshall called Jacquie and told her to visit the web site and I received my first email from her. God knit our hearts together from the first; we were kindred souls in Jesus. She shared her thoughts and the message the Lord gave her. Jacquie gave me permission to share it on the web site. May you be as blessed as I was when you read it. Time and distance are not barriers with God as He brings His people together in unity, love and fellowship.

*My name is Jacquie McCall and I'm the Pastor of New Hope Community Church Lomond, I've recently come under the authority of Marshall Cross from New Hope in Wishaw, Lanarkshire.*

*Marshall called me today to tell me about your website and your visit over here last year and to suggest that I emailed you! I read your "Highland coo" prophetic word and WOW! It just fired me up no end!! It blew me away to learn that only last July you'd prayed over Loch Lomond and the area and in October*

*time a group of us began seeking the Lord's will in planting a fellowship here in Helensburgh, then about four weeks ago I approached Marshall about coming under his authority, it was then that we decided to rename the fellowship and take the name of the overseeing ministry, then, only last week during a prayer meeting the Spirit of God led me to begin praying over the whole area, thus we became New Hope Community Church Lomond and will cover the whole of the Lomond area.*

*Also, when I was reading it, I was again amazed to see that you used the words, "hear the roar of the Lion of Judah", in September last year I wrote a message titled, "Do You Hear Him Roar?" I've shared it here because I just think this is so totally amazing...*

### **DO YOU HEAR HIM ROAR?**

*Over the past few weeks, I've wondered why I've kept getting over and over again one line from a song...that line is: "When the Lion of Judah roars"*

*Only this morning has the revelation of what God is saying started to come clear.*

*Think, if you will, about when a lion roars...he's claiming his territory, he's letting others know he's there, and sometimes he's calling his pride together...*

*Right now Jesus (the Lion of Judah) is calling His people together, he's calling together an army, he's calling us to move forward and lay claim to our communities, towns and nations,!!!*

*Are we going to heed His call and more importantly OBEY His call? Or are we going to sit in our religious and traditional comfort zones and watch as everyone else moves forward?*

*Jesus is making His claim on our lives and our lands, the nations are HIS... and He commands His people to lay claim on these lands...THE NATIONS BELONG TO HIM !!! WE ARE HIS HANDS, FEET AND MOUTH HERE ON THIS EARTH!!! WHAT ARE WE DOING ABOUT IT!!!*

*Talk to Him, commune with Him, ask Him what HE is calling you to do and then talk to us and let us know.*

*God is NOT messing, he is NOT fooling around, our bibles say, "go!!"*

*ARE WE GOING TO ALLOW THE MIGHTY AND POWERFUL Lion of Judah to roar through us? Let's stop laying down and cowering before the enemy, yes, his tactics and attacks can be powerful, but he cannot stand when confronted with the Lord Jesus Christ and His people confident in the knowledge of the authority He gives us to bring down strongholds and take our lands back for Him! Remember; THE VICTORY IS ALREADY WON!!! We just need to fully believe that and move in Him, united, bold, courageous and a mighty army led by the one true Captain!!*

*Come on people!!!! Let the mighty Lion of Judah begin to roar through you...stand up and be counted, be bold and strong in Him and in the power of His might, speak out and move forward!!! Are you standing and fighting or are you laying down, rolling over and playing dead? We are on the side that winds, let's start believing that and letting that come through as we move forward with Him, let's all stand together for Jesus!*

*Praying that all of our hearts are stirred to action, stirred up with boldness and start us on an exciting journey with, through and for Him and His Glory!!*

**Tentative plans are being made to return to Scotland in 2010 as a joint ministry effort. Please pray for the planning to be done God's way.**
